

# The Shop

April 2018

## Your allotment, your shop

### **About the shop**

Whitehill Allotment Shop is open every Saturday and Sunday from the end of February to the end of October. Between 10-11am. We offer a wide range of products to assist plot holders with their work on their plots.

The money earned by the shop is used for development of services and projects within the site as well as trying to keep rent prices as low as possible. The money you spend here is used directly and only for plot holders benefit. The money you spend in chain shops and garden centres is used for their profit making.
